

Eva VANDENBROUCKE

PROFILE

- Broad career across both white-collar and blue-collar roles: administration, data processing, case management, operational management, customer contact, kitchen environments.
- Brings structure, precision and analytical thinking to every role; reliable, punctual and thorough. No loose ends.
- Creative problem-solver; finds well-considered solutions through diligence and independent thinking.
- Present and focused. No social media, no notifications, never 'on phone'.
- Hobbies: reading, documentaries, current events and swimming.
- Free time: studying IT and programming (continued).
